

**WUURL (Women UUs Relishing Life):**  
Report to the 1U Annual Congregational Meeting, May 20, 2018  
Respectfully submitted by Kathy Homblette

RUUM has been a wonderful model by creating a program for the retired men of the church, and the time has come for 1U women to try something new. Beginning in May 2017, a group of women began gathering monthly to build community, create opportunities for outings and enrichment. Most months, a community outing was also planned and attended by WUURL members. Examples included visits to the Holocaust Center and Harbor House, Mad Cow and Orlando Shakespeare productions, Morse Museum/lunch and a class at the Pottery Studio. Guests speaking at lunch gatherings included 1U members Leslie Lynch (Essential Oils), Dawn Wicklow (her journey as an artist), Rev. Kathy (previewing 1U life post-renovation) and Steph Garber (service trip to Haiti). Beginning as an experiment to determine interest, WUURL has 44 women in a Google Group, with typically 15-20 attending monthly lunch gatherings. We expect it to continue going strong into year 2.
