Children and Youth Religious Enrichment

First Unitarian Church of Orlando

Update for 05.19.2021

And just like that, it's May! We hope all our families are having a good month so far.

Treasure Trove

If you would like to revisit some or all of the RE activities we've explored over the last session, we've created a folder in the Facebook group. There you will find all the lessons and activities we've enjoyed since our virtual classes began.

The lessons are in the Media section of the Facebook group, under Albums, where you'll see a dedicated folder to all RE lessons from September 2020 till now.

A link to the folder is [here](#).

And, if you'd like to revisit a meditation or a book reading, be sure to visit our YouTube channel, where all the playlists are maintained. That link can be found [here](#)

Spring Fling!

- Plant okra to take home
- Wash bottle tops for our campus bench
- Pick up some free art supplies
- Congratulate our OWL graduates
- Pick up a fun peace flag activity packet
- And, there's cake!

Most importantly, say farewell to our fabulous RE Coordinator, Sarah Gray. Sarah has been the heart of the 1U RE program, infusing it with her insight, creativity and passion. Join us as we honor her with love and good wishes for her future.

See you on Sunday!
